Amateur Radio Exhibit @ The Big E – N1E
West Springfield, Massachusetts
September 16 – October 2 2022

“Project Big E” is looking for radio club members and individuals throughout New England to staff a large amateur radio display. You’ll help explain amateur radio to thousands of people during the 16-day event.

In the past, 1.5 million people have attended The Big E—billed as the fifth largest fair in the nation! The interested public from across New England will be directed to clubs in their respective hometowns for classes, mentoring, etc.

Planning is underway for this exciting ham radio project. Please promote Project Big E to your radio clubs and club members.
